

We had a good showing this last week from the Western Carolina Chapter 32nd Annual Safety School.

We have 5 speakers with some interesting topics and information both from our NCDOL Deputy Commissioner of Occupational Safety & Health, and other speakers.

We had some time to talk to some of our area vendors and other safety professionals. Here are some of the photos that were taken at the event.

This is the photo of our Officers and members that helped out for the event.

NCDOL Speaker for OSHA Update

Hazard Recognition from EI Group

Master Ergonomist Speaker from NC State University

Ricky Rollins our Keynote Speaker on "A Day We Remember"
